Dear Keren and Carlos,

I wanted to write a personal thank you for participating in our Cultural Fair and for sharing your gift of music with the students of Radburn Elementary School. It is clear from your presentation that you are very talented individuals.

Our students very much enjoyed the entire activity and many of them told me what a great time they had. Please continue to share your love of art and music as it is contagious! Thank you again and we hope that you will be able to join us again next year.

Sincerely,

Jill Lindsay, Principal
